Primary statement

The Agreement was signed on March 19, 1992, consisting of eight articles aimed at strengthening and developing trade and economic cooperation between the Socialist Republic of Vietnam and the Republic of Belarus.

BELARUS-VIETNAM Trade Economic Cooperation Agreement

The Agreement was signed on March 19, 1992, consisting of eight articles aimed at strengthening and developing trade and economic cooperation between the Socialist Republic of Vietnam and the Republic of Belarus. Compliance with the principles of equality of mutual benefit and the standards of international law when conducting commercial economic relations with each other.

BELARUS - VIETNAM

Belarus Vietnam Trade Economic Cooperation Agreement

- The two Contracting Parties will create the necessary economic, financial and other legal conditions for the maintenance and development of various forms of economic and commercial relations, including direct relations, the establishment of joint ventures, specialization and cooperation in production, including trade and trade (barter).
- The supply of goods and services in the economic-commercial relations between the two countries will be carried out on the basis of contracts signed between legal and physical persons entitled to foreign economic activity of the two States (hereinafter referred to as “economic actors”). In order to maintain the existing and necessary economic-trade relations between the two Contracting Parties, each year the Parties agree on the categories, including the volume and type of goods and services of State importance. The supply of goods and services other than goods, volumes in the category, can be carried out by economic operators on the basis of agreement in accordance with the laws of the two countries.

- Goods delivered under this Agreement may be re-exported to a third country only with the prior written consent of the exporter.
- Payments and payments for goods and services in the economic-commercial relations between the economic actors of the two countries will be made in foreign currencies freely converted through the banks authorized by the two Contracting Parties. Within one month from the date of entry into force of this Agreement, the Banks authorized by the two Contracting Parties shall agree with each other on the modalities of payment and payment under this agreement.
